

Chapel Hill Youth Sports Alliance

Sponsorship Request Letter

Dear Potential Sponsor,

Thank you for taking the time to consider sponsoring our youth sports program. The Chapel Hill Youth Sports Alliance is a 501(c)(3), community based, non-profit organization whose mission is to provide a safe, fun, and structured environment for youth athletes while building character and self esteem while promoting good health. The CHYSA Football/Cheer program participates in the Tri-County Youth Football Alliance and competes with other area football and cheer programs within that league.

Often, many of the children we strive to reach are in need of financial assistance in order to take part in our football/cheer program. In these cases, the CHYSA tries to alleviate as much of the financial burden from these participants as possible. However, we cannot accomplish this task without the generosity of the wonderful businesses and people in our community.

A sponsorship from your company will help to defray the cost of equipment, uniforms, and referees. It would also assist in providing scholarships to children who would not be able to afford the registration fee to participate in our program.

If providing sponsorship for CHYSA is an option for you and your company, please take a moment to review the sponsorship information included with this letter and select the level of sponsorship that is comfortable for your company as well as beneficial to our organization and the youth in our community.

We appreciate your generosity and continued support of our Chapel Hill youth athletes. By partnering with us, you become an important part of our community and help make the CHYSA a success! All donations made to the Chapel Hill Youth Sports Alliance are tax deductible (tax ID #82-4142545). Please make your donations payable to "C.H.Y.F.C.A." and send to:
